Denver Ablaze Day of Healing & Empowerment

Saturday, June 20, 2026

TRAUMA – BE HEALED

Presented by Jack Leger

Trauma is not often spoken about, but it can have a profound effect on our behavior, our choices, and on our relationships with our family, friends, co-workers, etc.

- Trauma can remain hidden, even from ourselves.
- Some of us have anchors holding us back, which could be the result of a trauma.
- Events of life; accidents, surgeries, relationships, etc. can cause a trauma.
- A negative childhood event that we recall or is buried can be a source of trauma.
- What happens while we are in the womb or are in the process of being born could be hiding a trauma.
- Military traumas can have a profound effect on us.

Jesus came that we may have life and have it to the full. (Jn 10:10)

There will be prayer available in general and specifically for the healing of trauma.
